

EAGLE GYMNASTICS ACADEMY

Tell us about your event

We have been to the national centre on a few occasions, twice for residential training weekends, and one Sunday day training session.

Why did you choose the national centre?

We chose the centre due to its size and the high standard of facilities.

“The highlight for us as a club is the overall experience of training at Inverclyde and having the opportunity to progress the gymnasts’ skill levels.”

Tell us about your overall experience

Overall everyone, coaches and gymnasts, have had a great time. Each time we have been to the centre we have found all staff to be very friendly, helpful and willing to accommodate special requirements.

What was a highlight of your visit?

The highlight for all of us as a club is the overall experience of training at Inverclyde and having the opportunity to progress the gymnasts’ skill levels.

All of the gymnasts went home buzzing due to having such a great experience and we’re looking forward to our next visit.
