

Rangers Football Club

Elite Development Programme (9-11yrs)

Why did you choose the national centre?

Upon our first visit we were extremely impressed with the whole facility, it was above and beyond our expectations and totally fit for purpose given the event we were proposing.

Tell us about your overall experience

Our overall experience has been first class, we have been blown away by the standards from the whole facility.

Euan, Nicky, Gordon and Liam from guest services have been a real credit to Inverclyde – they have been so dependable and always on hand to help.

Every member of staff we have spoken to has gone above and beyond to help make our experience the best it possibly could be. To be greeted with a smiling face ready to help or just offer some friendly chat has been exactly what myself and Gary Murray needed whilst working the event.

"Our overall experience has been first class, we have been blown away by the standards from the whole facility."

Iain Greer

Soccer Schools/Rangers Football Club

Duncan and Nicola from the gym display the exceptionally high standards that Inverclyde portray. The way they interacted with our group really captured their attention and the level of sessions they delivered were world class.

The food has been exceptional and the kids have really taken to trying new things. The kitchen staff have gone above and beyond to help with one of the participants who is a really fussy eater. Anything we needed or slight changes in time they were more than happy to accommodate.

What was a highlight of your visit?

We have a number of highlights from the week, but the stand outs have been the meals and the 2 gym sessions.
